**AN INTERACTIVE CONCERT**  
**For Individuals with Autism and their Families**

featuring

## **Dr. Yeou Cheng Ma & Dr. Sophia Lee**

This “Doctor Duo” will share the varied music of Mozart, Handel, Joplin and Fuchs in a concert sure to delight the entire family. Dr. Ma is a Developmental Pediatrician who works with children with developmental disorders in the Bronx and Queens. In addition, she is the Director of the Children’s Orchestra Society. Dr. Lee is a Family Medicine Physician who is completing her residency at Montefiore Medical Center under the mentorship of Dr. Ma. Both have performed as chamber musicians in the United States and internationally.

Dr. Sophia Y. (Feng) Lee and friends,  
and members of the  
Department of Family and Social Medicine  
at Montefiore Medical Center.*

Music for Autism is raising public awareness and enriching lives through autism-friendly interactive concerts developed specifically for individuals with autism and their families. The concerts, held in the United States and the United Kingdom, feature professional musicians, including Tony Award winners and Grammy-nominated classical artists.

Music for Autism concerts are fully subsidized and free for all individuals with autism and their family members, but RSVP’s are essential. Please RSVP under the “Concert Calendar” on [www.musicforautism.org](http://www.musicforautism.org) (preferred) or by calling 877-863-7473
