AN INTERACTIVE CONCERT
for Individuals with Autism and their Families
featuring

The Guidonian Hand

Acclaimed by the New York Times for their "expertly played" performances displaying "meaty lower brass textures," the Guidonian Hand is America's leading modern trombone collective. This adventurous ensemble collaborates frequently with living composers and gives a fresh voice to classical repertoire, juxtaposing music of the past with modern works.

The Guidonian Hand is Mark Broschinsky, Will Lang, Sebastian Vera, and James Rogers.

92nd Street Y

1395 Lexington Ave

New York, New York

Music for Autism is enriching lives and raising public awareness through autism-friendly interactive concerts developed specifically for individuals with autism and their families. The concerts, held in the United States and the United Kingdom, feature professional musicians, including Tony Award winners and Grammy nominated classical artists.

Music for Autism concerts are fully subsidized and free for individuals with autism and their family members, but RSVP's are essential. Please RSVP under the "Concert Calendar" on www.musicforautism.org (preferred) or by calling 877.863.7473.

ADMISSION IS FREE.
